Rubi TI-S ("Push") and TI-T ("Pull") Tile Cutters

Available in both "Push" and "Pull" designs, these top quality professional cutters are the strongest made by Rubi with 1,000 kg (2,200 lbs.) breaking force to cut the hardest tile from 3/16" to 13/16" thick. Both series have a sturdy die cast aluminum construction for the base, handle, protractor gauge and two 10" long tile support extensions, spring loaded to prevent breakage if stepped on. The base has two zinc plated steel tile support pads that are spring loaded to deflect during cutting. The handle holds both the scoring wheel and breaker foot and slides over two replaceable plastic glides on the single chrome plated rail bar. The breaker foot has two replaceable plastic pads to prevent

tile marking. The scoring wheel is easily changed without tools and two spare scoring wheels can be stored in a recessed area of the base. The protractor gauge can be locked in any position between 50° and -50° with preset positions every 15° between 45° and -45°. Dual inch scales are graduated for the width of straight cuts and also for the height of 45° cuts. Six rubber feet prevent the cutter from moving during use. Cutters include a No. 01975 10 mm (13/32") Scoring Wheel, an extra set of rail bar plastic glides, two extra sets of breaker foot plastic pads and an illustrated instruction manual. All cutters have a five year warranty. Case is not available.

No. TI-75-S 29" "Push" Tile Cutter

No. TI-66-T 26" "Pull" Tile Cutter

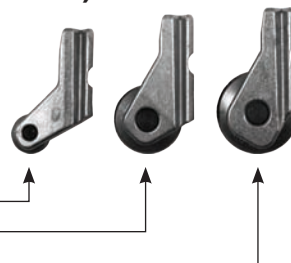

The TI-S "Push" series cutters have a spring loaded retractable breaker foot and also a spring loaded follower in the handle to allow it to automatically compensate for tile thickness.

The TI-T "Pull" series cutters have a fixed breaker foot and also an adjustable cam knob to give three tile thickness scoring wheel height ranges of 1/4" to 3/8", 3/8" to 1/2" and 1/2" to 13/16".

Item No.	Description	Tile Cutting Capacity		Weight (lbs.)	List Price
					
TI-66-S	26" Rubi "Push" Tile Cutter	26"	18 1/8"	23	\$346.15
TI-75-S	29" Rubi "Push" Tile Cutter	29 1/2"	20 7/8"	24	\$384.40
TI-66-T	26" Rubi "Pull" Tile Cutter	26"	18 1/8"	23	\$346.15
TI-75-T	29" Rubi "Pull" Tile Cutter	29 1/2"	20 7/8"	24	\$384.40

Scoring Wheels for Rubi TI-S ("Push") and TI-T ("Pull") Tile Cutters

These Scoring Wheels are made of tungsten carbide and are for use with the Rubi TI-S "Push" and TI-T "Pull" series tile cutters. Available in three diameters, the larger diameter wheels perform better on granulated or difficult-to-cut tiles.

Note: Scoring Wheels shown 1/2 actual size.

Item No.	Description	List Price
01975	10 mm (13/32") Scoring Wheel	\$13.60
01976	18 mm (3/4") Scoring Wheel	\$19.20
01977	22 mm (7/8") Scoring Wheel	\$22.40
