## No. PB-4 4" PowerBlade™ for Reciprocating Saws U.S. and other Patents Pending

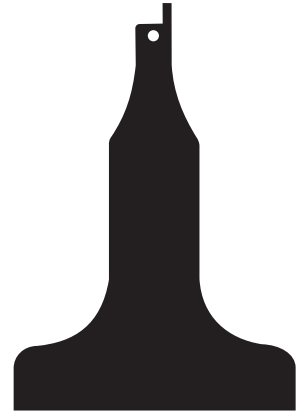

**Turn your reciprocating saw into a power scraper!**

This product has been specifically designed for all your scraping needs. Simply install the PowerBlade™ into your reciprocating saw like any other blade and let the PowerBlade™ do the work for you. Perfect for scraping vinyl flooring, glue residue, rubber backed carpet, paint and scraping around breakable fixtures. The PowerBlade™ is 4" wide and made of re-sharpenable steel with a beveled edge. Made in U.S.A.

## No. 314-DS "Double Stuff" Leather Knee Pads U.S. Patent Nos. D463,072 and 6,851,124

These quality leather knee pads are lined with 1" water-resistant felt padding and a single 1 3/4" wide adjustable neoprene strap with a swivel buckle. Quick and easy on/off. The rivet reinforced construction assures a long life for these knee pads. Each knee pad has two 1" deep x 4" wide U-shaped notches in the top and bottom edges to allow a better fit and greater comfort when standing.
